

A great  
habitat  
for  
you

Calling all Wildlife and Nature Lovers!

At one of the greatest National Parks of Asia. One Thousand and three hundred square kms. of forests, hills and grasslands, fed by a frisky river. A bio-diversity that is rich, rare and precious. The perfect habitat for the tiger, elephant, hog deer, birds and other wildlife species fast vanishing from the earth.

JUST 300 Kms from Delhi, the capital city of India ! - THE CLARIDGES CORBETT HIDEAWAY
